

DEMONSTRATIONS *in Store*

We invite you to come and watch our candy-makers create a sweet delight to awaken all of your senses. See how the hot candy is coloured and flavoured, then stretched over our hook by our skilled confectioners. Now watch as they create a candy masterpiece by shaping and moulding the candy to create pictures, words, or multicoloured delights before your eyes. Then be tempted by a sample of the warm fresh candy as it comes off the production line.

We make candy most days between 10am & 3pm so it is quite likely that you will see our candy-makers at work.
